

# Look inside to see how many families you've helped from your community!

2019 **RMHC**® Community Impact Report

---

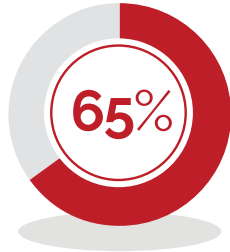

Ever wondered how many families RMHC has helped from ***your*** communities?

## Find out!

1. Flip to the RMHC Chapter in your region.
2. Look up your town or city.
3. See how many families from your community have been served by RMHC.

# Did you know?

65% of Canadians live outside of a city with a children's hospital?

That means, when their child gets sick, they have to travel to receive the specialized care that they need, often for weeks or months.

Each year, we're giving **over 25,000 families** across Canada a place to stay together when they have to travel for their sick child's treatment.

## 15

**RMHC Houses** provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

## 16

**RMHC Family Rooms** are located right inside hospitals and provide a comfortable place for families to rest and recharge.

## 1

**RMHC Care Mobile** is a health unit that brings medical care to underserved communities in Alberta.

# RMHC Newfoundland & Labrador

## **The Hatcher Family** | Appleton, Newfoundland | **118 nights**

*"The biggest challenge outside the medical treatment to battle Christian's leukemia, was staying together as a family to support him. I call RMH our 'sanctuary'. It lifted a huge burden off our shoulders and it was easy to make this our new home away from home."*

## The Gauthier Family | 21 nights

*"The first time we went to the Ronald McDonald House, it was after the birth of Sophia. She was hospitalized in the NICU for several weeks and I had received my leave from the hospital, so I had to leave my hospital room. We didn't want to be far from her; just thinking about it filled us with panic. When the social worker told us about the Ronald McDonald House, it was great comfort to us."*

## The Bedard Family | 91 nights

*"RMH became a second home to us. We have stayed there on many occasions since 2016. It was a calm and safe place where we could stay during Simon's treatment. We were able to rest despite the stressful period we were going through. The staff listens to us and always asks how Simon is doing - this makes the House even more welcoming."*

*"RMH is not the easiest place to describe... It's called Ronald McDonald House but it is so much more than a house, it is our home; It is That great big hug when we're greeted at the door, the smell of fresh cooked meals waiting for us in the kitchen, and giggles coming from the playroom while the parents talk with each other over a hot cup of coffee in the dining room."*

## The Sia Family | Sylvan Lake, Alberta | 23 nights

*"When we were told we could stay at RMHC Alberta, it was like a huge weight was lifted, like 25 decisions were made for us and in truth were better than we could have ever dreamed of. There was a feeling of knowing that we were going to get through this. The gravity of the situation was made so light just by the ability to stay so close to our girls - that a small light at the end of a difficult time was lit and we just know we were going to be ok."*
