2020 **RMHC**® Community Impact Report

# Ever wondered how many families RMHC has helped from *your* communities?

## Here's what you'll find in this report:

**1.** How many families from your community have been supported by your local RMHC Chapter.

**2**. List of RMHC programs operated by your local Chapter.

**3.** Contact information for your local RMHC Chapter should you require any further information.

# Did you know?

**65%** 65% of Canadians **live outside of a city** with a children's hospital?

That means, when their sick gets sick, they have to travel **to a children's hospital** to receive the specialized care that they need, often for weeks or months.

Each year, we are giving **over 26,000 families** across Canada a place to stay together when they have to travel for their sick child's treatment.
## 15
**RMHC** Houses provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

## 17
**RMHC** Family Rooms are located right inside hospitals and provide a comfortable place for families to rest and recharge.

## 1
**RMHC** Care Mobile is a Mobile health unit that brings medical care to underserved communities in Alberta.
