About RMHC® Atlantic

Ronald McDonald House Charities® Atlantic helps families with sick children stay together and near the medical care they need.

Our programs include Ronald McDonald House® in Halifax, a "home-away-from-home" for out-of-town families with sick children, and Ronald McDonald Family Rooms® in Halifax and Moncton, which provide oasis of calm and support inside the hospital. Each year, we help more than 2,000 families from across the Maritimes through our House & Family Rooms.

RMHC Atlantic is a non-profit organization. We depend upon charitable donations and volunteer support from many individuals, corporations and foundations to fulfill our mission. We are also sincerely grateful for the support of our founding and forever partner, McDonald's

Our history

Since opening our doors in Halifax in 1982, RMHC Atlantic has helped more than 25,000 families that have stayed with us when they had to travel to Halifax for medical treatment. Our House is one of 16 Houses across Canada and one of more than 360 around the world.

In 2007, we opened the first Ronald McDonald Family Room in Canada at the IWK Health Centre, and in 2011 we opened a second Family Room at The Moncton Hospital.

Working with us

RMHC Atlantic is committed to fostering a collegial culture grounded in diversity and inclusiveness. We encourage applications from Indigenous persons, persons with a disability, racially visible persons, women, persons of a minority sexual orientation and/or gender identity, and all candidates who contribute to the diversity of our community.

We select the best employees based on their qualifications, skills, knowledge and commitment. RMHC Atlantic also recognizes that candidates and/or employees may request accommodations to participate or perform to the best of their abilities. As per regional labour standards and national human rights guidelines, reasonable workplace accommodations and adjustments will be granted.

We're making *More Room For Love!*

We're proud to support approximately 600 Maritime families each year. Unfortunately in recent years we've had to turn away hundreds of families who came to us for help—and the demand continues to increase. Without a place to stay, families face being apart from one another at a time when their love and presence is so vital. While we have made some changes to our current space, we are limited in how we're able to modify the physical infrastructure to adequately address these important concerns.

We're building a larger, more modern facility that will enable us to serve an additional 600 families per year, and offer 6,570 more nights of comfort for families with sick children.
